505 VAN NESS AVENUE
SAN FRANCISCO, CA 94102-3298

December 26, 2019

John Tang
Vice President of Regulatory Affairs
San Jose Water Company
110 West Taylor Street
San Jose, CA 95110-2131

Dear Mr. Tang,

The Commission has approved San Jose Water Company's Advice Letter No. 541, filed on November 22, 2019, regarding the Step Rate Increase for 2020 Escalation Year.

Although this request is being approved, Water Division notes that the advice letter was filed late on November 22, 2019, rather than its due date under Decision No. 18-11-025 which was November 15, 2019. Due to the diligent work of staff, Water Division was able to process this filing and approve it prior to the January 1, 2020 effective date. This letter serves as notice that future filings and requests may not be as timely approved should San Jose Water Company not meet the filing date requirements of Commission decisions.

Enclosed are copies of the following revised tariff sheets for the utility's files:
