TITLE

Schedule No. RW

RAW WATER METERED SERVICE
(Continued)

- 3. The utility will supply at the point of connection only such raw water at such pressures as may be available from time to time from the Santa Clara Valley Water District. The customer shall indemnify the utility and save it harmless from any and all claims arising out of service under this schedule and shall further agree to make no claims against the utility for any loss, damage or injury resulting from service under this schedule.
- 4. As a condition for service under this schedule, all customers are required to comply with all San Jose Water Company's tariffs, except for those identified in the Commission's General Order 103 regarding supply of water not intended or claimed to be potable.
- 5. Customers who receive water deliveries for agricultural purposes under this schedule, and who present evidence to the utility that such deliveries qualify for the lower pump tax rates levied by the Santa Clara Valley Water District for agricultural water, shall receive a refund of \$0.451 cents per 100 cubic feet for the quantities of water used. In accordance with Santa Clara Valley Water District procedures customers will be refunded every six months.
- 6. To offset the increase in Purchased Water from the Santa Clara Valley Water District, effective July 9, 2007, a surcharge of \$0.0454 per 100 cu.ft. is to be added to the Quantity Rate. (N)
