Advice Letter No. 625

To the Public Utilities Commission of the State of California:

San Jose Water Company (U-168-W) hereby submits for filing the following revisions to the tariff schedules applicable to its service area. The revised tariff sheets accompanying this Advice Letter are identified as follows:

CPUC Sheet No.	Title of Sheet	Canceling CPUC Sheet No.
2389-W	Service Area Map Locator, Index	2384-W
2390-W	Table of Contents	2388-W

These tariff revisions are submitted in compliance with General Orders (GO) 96-B, Water Industry Rule 7.3.3(11) and Water Industry Rule 8.7.

Purpose

The purpose of this advice letter is to request Commission approval to revise San Jose Water Company's service area boundary to exclude Assessor's Parcel Number (APN) 742-08-016.

Background and Justification

San Jose Water Company respectfully request authorization to remove the Subject Parcel, located at 20545 Whispering Oaks Drive (Parcel No. 742-08-016) from its service area. The subject Parcel has been receiving water service from Great Oak Water Company since 2011. The property owner has notified San Jose Water Company of their intent to permanently establish water service with Great Oak Water Company.

Given that the Subject Parcel has not been serviced by SJWC and is currently receiving service from another jurisdictional water utility, the proposed boundary modification will accurately reflect existing service conditions and eliminate any potential ambiguity regarding service responsibilities.

Effective Date

San Jose Water Company respectfully requests that this Advice Letter 625 become effective on June 1, 2026, subject to Commission approval.

Notice

In compliance with Paragraph 4.3 of General Order (GO) 96-B, a copy of this advice letter has been emailed to all interested and affected parties as detailed in the service list.

Protests and Responses

Anyone may respond to or protest this advice letter. A response does not oppose the filing but presents information that may prove useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds may include the following:

4. The relief requested in the advice letter is pending before the Commission in a formal proceeding;
5. The relief requested in the advice letter requires consideration in a formal hearing, or is otherwise inappropriate for the advice letter process; or
6. The relief requested in the advice letter is unjust, unreasonable, or discriminatory (provided that such a protest may not be made where it would require relitigating a prior order of the Commission).

A response or protest must be made in writing or by electronic mail and must be received by the Water Division within 20 days of the date this advice letter is filed. The address for mailing or delivering a protest is:

Very truly yours,

/s/ Margie McWilliams
