Rule No. 15
(continued)
MAIN EXTENSIONS

C. Extensions to Serve Subdivisions, Tracts, Housing Projects, Industrial Developments, Commercial Buildings, or Shopping Centers (continued)

2. Refunds

- b. Payment of refunds shall be made not later than June 30 of the year following the calendar year in which revenues are received, or not later than 6 months after the contract anniversary date if on an anniversary date basis. (T)
- c. Whenever costs of main extensions and/or special facilities have been advanced pursuant to Section C.1.a., C.1.b., or C.1.c., the utility shall annually refund to the contract holders an amount equal to 2-1/2 percent of the advances until the principal amounts of the contracts have been fully repaid.
- d. Whenever costs of special facilities have been advanced pursuant to Sections C.1.b., or C.1.c., the amount so advanced shall be divided by the number of lots (or living units, whichever is greater) which the special facilities are designed to serve, to obtain an average advance per lot (or living unit) for special facilities. When another builder applies for a main extension to serve any lots for which the special facilities are to be used, the new applicant shall, in addition to the costs of his proposed main extension, also advance an amount for special facilities. This amount shall be the average advance per lot for special facilities for each lot to be used less 2-1/2 percent of the average advance for each year in which refund have been due and payable on the original contract, prorated to June 30, or the contract anniversary date on a monthly basis.
- e. The amount advanced to the utility by the new applicant shall be immediately refunded to the holder of the original contract, which included the cost of the special facilities, and the original contract advance will be reduced accordingly. The utility will thenceforth refund 2-1/2 percent annually on each of the contract amounts, as determined above, to the holders of the contracts.
- f. Advances and refunds based on additional builder participation will be determined in a similar manner.
- g. In no case shall the refund on any contract exceed the amount advanced.
