Schedule No. 9C

CONSTRUCTION AND OTHER TEMPORARY METERED SERVICE

APPLICABILITY

Applicable to all portable metered water service furnished for construction and other temporary purposes.

TERRITORY

Portions of Cupertino, San Jose, and Santa Clara, and in Campbell, Los Gatos, Monte Sereno, and Saratoga and in contiguous territory in the County of Santa Clara.

RATES

Currently effective monthly service charge for the applicable 1 and 3-inch meter and quantity rates listed in Schedule No. 1, "General Metered Service", or in Schedule No. RCW, "Recycled Water Metered Service", will apply to service furnished under this schedule. (T)

SPECIAL CONDITION

1. To obtain water service under this schedule an applicant must first apply for and obtain written permission from the utility.
2. Applicant will be required to deposit with the utility the amount, shown in the table below, which corresponds to the size and type of meter leased.

<u>Size of Meter</u>	<u>Refundable Deposit</u>	<u>Non-Refundable Handling Charge</u>	<u>Total Deposit</u>	
1-inch	390.00	10.00	400.00	(D)
3-inch	1,540.00	10.00	1,550.00	(D)

The refundable deposit is based on two times the cost of the applicable meter. The refundable deposit less (a) the cost of any repairs other than those due to normal depreciation, and (b) any outstanding unpaid water bills, will be returned to the customer upon return of the meter to the utility.

Schedule No. 9C

CONSTRUCTION AND OTHER TEMPORARY METERED SERVICE  
(Continued)

- 3. On the last working day of each month the customer shall call-in or mail-in (post-marked) to the utility the readings on the meter or meters under permit to him. All such read information must contain the meter number and reading as of the last working day of the month. The utility will bill the customer monthly under its General Metered Service Schedule (Schedule No. 1) on the basis of such reading. Failure to so notify the utility will result in imposition of a monthly charge of \$25 per meter in addition to the monthly charges under such Metered Service Schedule. Failure to so notify the utility for a period in excess of 60 days will result in loss of permit to retain such portable meter and forfeiture of meter deposit.
- 4. No such meter may be retained for a period in excess of one year. Failure to return a meter to utility at the end of one year will result in the denial in the future of such temporary service.
- 5. When a person takes water from a fire hydrant or other outlet without first having obtained written permission from the utility, the utility shall assess a fine of \$200.00 per occurrence against such person and shall confiscate any connections used for such unauthorized taking. When a person has written permission to draw water from the utility's service area, but fails to use the meter supplied while drawing water, the utility shall assess a fine of \$50.00 per occurrence against such person; the failure to use such meter a second time shall result in loss of permit to obtain a portable meter, forfeiture of meter deposit and denial in the future of such temporary service.
- 6. For recycled water service the City of San Jose is responsible for the determination of customer eligibility for the South Bay Water Recycling Program. The customer is responsible for knowledge of and compliance with all Customer Service Rules for use of recycled water as provided by the City of San Jose in addition to all local, state, and federal rules and regulations that apply from time to time to the use of recycled water, as defined in San Jose Water Company's Rule 1. (N)
- 7. All bills are subject to the reimbursement fee set forth on Schedule No. UF. (N)
