- AA. CATASTROPHIC EVENT MEMORANDUM ACCOUNT (CEMA) (N)**
1. Purpose (N)  
The Commission's blanket authorization to establish Catastrophic Event Memorandum Accounts (Commission Resolution No. E-3238, dated July 24, 1991) will ensure that all potentially affected utilities are provided the maximum incentive to restore service immediately after declared disasters. Resolution E-3238 required the utilities to notify the Commission's Executive Director by letter within 30 days after the catastrophic event, if possible, if it has started booking costs to the CEMA. (N)
  2. Applicability (N)  
The CEMA will record costs associated with:  
(a) restoring utility service to its customers; (N)  
(b) repairing, replacing or restoring damaged utility facilities; and (N)  
(c) complying with government agency orders resulting from declared disasters. (N)  
Entries to the account will be segregated by qualifying event. (N)
  3. Disposition (N)  
If the accumulated balance for the CEMA exceeds 2% of the total authorized revenue requirement for the prior calendar year, the Company will file an advice letter to amortize the balance. Prior to recovery, charges made to the CEMA are subject to a reasonableness review. The recovery of under-collections will be passed on to the customers through volumetric surcharges." (N)
