GENERAL METERED SERVICE
Mountain District
(Continued)

- 3. To fund the Water Rate Assistance Program (WRAP) for residential low-income households, a surcharge of \$1.45 per month will be added to the bill.
- 4. It is the Company's intent to provide service to all its customers to the full extent of its capacity to serve, except that in the event that there is a substantial risk to the Company's ability to maintain service to customers in the Mountain District, the Company, at its sole discretion, may temporarily interrupt or reduce service to such customers.

Such interruption or reduction of service may occur when (1) customer consumption, or (2) significant electrical, mechanical or supply issues challenge the Company's ability to meet demand for service. Should service be interrupted, the Company shall give timely priority to remedies that are within its control to alleviate the need for the interruption of service.

The Company will inform customers of planned improvements to its facilities serving the Mountain District through its annual system status report to Redwood Estates Services Association.

When service is interrupted, the Company agrees to promptly notify the interrupted customer's designated representative (one per mutual water company). Such notification shall be provided by telephone or by a reasonable alternative method specified by the customer and acceptable to the Company. It is the customer's responsibility to provide the Company, in writing, the name and contact information for its designated representative, to update that information, in writing when appropriate, and to ensure that any designated representative shall maintain an active answering system and e-mail address capable of receiving and recording service interruption information.

- 5. Each of the Mutual Water Companies served by San Jose Water Company in the Mountain District shall be charged one Service Charge, based on the Mutual's meter size. San Jose Water Company shall provide each of the Mutual Water Companies one single quantity rate usage allocation per customer individually served by the Mutual Water Company, as described under Quantity Rates per Ccf. above. Thus, each Mutual Water Company will be charged at the Single Quantity rate for usage times the number of customers the Mutual Water Company individually serves.
