**Re: Affiliate Transaction Notification**

Dear Ms. Serizawa and Mr. Shia:

This letter is submitted to you in recognition of California Public Utilities Commission (“Commission”) Decision 11-10-034, Rule VIII.D, which requires any Class A Water Company, upon the creation of a new affiliate, to notify the Commission of its creation, as well as posting notice of this event on its web site. This letter provides notice to the Commission of a new affiliate of San Jose Water Company (U-168-W) with a certain company not previously affiliated with San Jose Water Company.

On July 22, 2025, the State of Utah’s Insurance Department certified the formation of H2O America Risk Solutions, Inc. This new affiliate is a wholly-owned subsidiary of H2O America, the parent company of San Jose Water Company.

As a result of the formation, H2O America Risk Solutions, Inc. becomes a new affiliate of San Jose Water Company, as that term is defined by Decision 11-10-034, Rule VIII.D.

The new relationship with H2O America and its affiliates, including San Jose Water Company, are illustrated in the accompanying chart.
