Re: Affiliate Transaction Notification

Dear Messieurs Shia and Baker:

This letter is submitted to you in recognition of California Public Utilities Commission (“Commission”) Decision 11-10-034, Rule VIII.D, which requires any Class A Water Company, upon the creation of a new affiliate, to notify the Commission of its creation, as well as posting notice of this event on its web site. This letter provides notice to the Commission of a new affiliation of San Jose Water Company (U-168-W) with a certain company not previously affiliated with San Jose Water Company.

On June 1, 2023, the State of Texas’ Office of the Secretary of State notified the company that the certificate of formation of Texas Water Resources, LLC (“TWR”) was filed. TWR is a wholly-owned subsidiary of SJWTX Holdings, Inc. which is a wholly-owned subsidiary of SJW Group, the parent company of San Jose Water Company.

As a result of the formation, TWR becomes a new affiliate of San Jose Water Company, as that term is defined by Decision 11-10-034, Rule VIII.D.

The new relationship Texas Water Resources, LLC, with SJW Group and its affiliates, including San Jose Water Company are illustrated in the accompanying chart.

If you have any questions about this matter please do not hesitate to contact me at 408.279.7933 or at john.tang@sjwater.com.

/S/ JOHN TANG
